between the
State of Maryland
and the
Maryland School for the Deaf
Faculty and Staff Association
Local 4828, AFT Maryland, AFT, AFL-CIO
Bargaining Unit K

Jan 2024 thru Dec 2026

**MOU FOR BARGAINING UNIT K
PREAMBLE**

This Memorandum of Understanding (Agreement) is entered into by the State of Maryland (Employer) and the Maryland School for the Deaf Faculty and Staff Association/AFT/AFL-CIO Local 4828 (the Union), and has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences without disruption in the workplace; and includes the agreement of the parties on the standards of wages, hours and other terms and conditions of employment for the Bargaining Unit K employees covered hereunder. The Employer recognizes the commitment of the Union and employees to organizational efficiency and high-quality services and will actively encourage the sharing of concerns regarding management practices, policies and procedures.

It is understood that agreements on issues requiring approval by the General Assembly of Maryland are tentative pending approval of the General Assembly of Maryland. The provisions of this Agreement shall in no way diminish or infringe any rights, responsibilities, power or duties conferred by the Constitution of the State of Maryland, the Annotated Code of Maryland, the Collective Bargaining Law (Title 3, State Personnel and Pensions Article), and the Public Employee Relations Law (Title 22, State Government Article), and all laws are hereby incorporated in this agreement as if fully set forth herein, and in the event of a conflict between this Agreement and the law, the law shall prevail.

ARTICLE 1. RECOGNITION

Section 1. Exclusive Representation

Pursuant to the Collective Bargaining Law (Title 3, State Personnel and Pensions Article), and the Public Employee Relations Law (Title 22, State Government Article), the Employer recognizes the Union as the sole and exclusive representative in all matters establishing and pertaining to wages, hours and other terms and conditions of employment for all employees in Bargaining Unit K. The following classifications comprise Bargaining Unit K: Faculty (MSD-9009), Teacher Aide (MSD-9471MSD) and MSD Registered Nurse (MSD-5213). The positions in this unit Bargaining Unit K are listed in § 3-101(g) of the State Personnel and Pensions Article.

The Employer will not negotiate with any other union or employee organization on matters pertaining to wages, hours, and other terms and conditions of employment for all employees in Bargaining Unit K and will not allow non-exclusive representatives or other employee organizations to address new employees at orientation meetings.

Section 2. Integrity of The Bargaining Unit

Unless otherwise provided by law, the Employer recognizes the integrity of the bargaining unit and will act consistently with the current statutory policy to use State employees

to perform all State functions in State operated facilities in preference to contracting out with the private sector. The employer agrees to not enter into a contract with a corporation, non-profit, business, or other private vendor entity to provide services that would displace continuing bargaining unit positions. Supervisors will not be assigned posts for the purpose of limiting overtime opportunities for bargaining unit employees except when fiscal or operational exigencies necessitate.

Section 3. Inclusion/Exclusion of Existing and New Classifications

If it is believed that the bargaining unit status of a classification has changed, the Employer or the Union, whichever is proposing the change, shall notify the other. Following such notice, the parties shall meet and attempt to resolve the issue. The Employer will promptly notify the Union of all decisions to establish new classifications. If a new classification is a successor title to a classification covered by this Agreement with no substantial change in duties, it shall become part of this bargaining unit. If a new classification contains a significant part of the work done by any classification in this bargaining unit or shares a community of interest with classifications in this bargaining unit, it shall become part of this bargaining unit. The Union may notify the Employer, within thirty (30) days of receiving notice of a new classification, that it believes the classification should be in this bargaining unit. The parties will then meet to review the classification specifications and attempt to resolve the issue. If, within thirty (30) days of such notice, such issues are not resolved in determining the inclusion/exclusion of classifications, the parties shall consider the following factors:

- a. the community of interest of the employees involved;
- b. the Employer's organizational structure;
- c. The Collective Bargaining Law (Title 3, State Personnel and Pensions Article);
- d. The Public Employee Relations Law (Title 22, State Government Article);
- e. the principles of efficient administration of government, including limiting the fragmentation of government administrative authority; and
- f. the recommendations of the parties involved.

ARTICLE 2. NON-DISCRIMINATION

Section 1. Prohibition Against Discrimination

It is the policy of the State to prohibit discrimination in employment against any employee or applicant for employment because of race, age, color, religion, creed, sex (including pregnancy), sexual orientation, political affiliation, country of national origin, ancestry, genetic information, gender identity or expression, mental or physical disability, marital status, or labor organization affiliations, and to promote and implement a positive and continuing program of equal employment opportunity.

It is the policy of the Union that it shall not discriminate against any employee or cause or attempt to cause the State to discriminate against any employee because of race, age, color, religion, creed, sex (including pregnancy), sexual orientation, political affiliation, country of national origin, ancestry, genetic information, gender identity or expression, mental or physical disability, marital status, or labor organization affiliation.

Section 2. Training to address workplace discrimination

The Employer and the Union acknowledge a shared commitment to fostering a workplace that upholds the principles of equality, respect, and fairness for all employees. In furtherance of this commitment, the parties agree to establish a school-wide Labor Management Committee (LMC) with the primary objective to develop a comprehensive anti-discrimination training program that will educate both employees and supervisors on the importance of maintaining a discrimination-free workplace.

The LMC shall consist of ten individuals. Five (5) members shall be selected by management, and Five (5) members shall be selected by the Union. The LMC shall be co-chaired by one representative designated by the School Superintendent, and one representative designated by the President of the Union; it shall operate in accordance with the provisions for a school-wide labor-management committee, described in Article 35, Labor Management Committees.

Training objectives shall include, but not be limited to:

1. **Educate on Anti-Discrimination Laws:** Provide an understanding of state and federal anti-discrimination laws, ensuring that all employees and supervisors are aware of their rights and responsibilities.
2. **Promote Cultural Sensitivity and Inclusivity:** Foster an environment that celebrates diversity and encourages open-mindedness by addressing cultural awareness.
3. **Prevent Harassment and Discrimination:** Equip participants with the knowledge and tools to identify, address, and prevent all forms of harassment and unlawful workplace discrimination.
4. **Empower Bystanders:** Encourage bystanders to intervene and support victims of discrimination, thereby creating a collective effort to maintain a safe and respectful workplace.
5. **Educate on Reporting Procedures:** provide an understanding of current reporting mechanisms for employees to raise concerns about discrimination, ensuring that complaints are addressed promptly.

Employees and management shall be required to attend this training once every two (2) years.

Section 3. Union Activity

Each employee shall have the right to join and, while off work or on official release time, assist the Union freely, without fear of penalty or reprisal, and the Employer shall assure that each employee shall be protected in the exercise of such right.

Section 4. Equal Employment/Affirmative Action/ADA

The parties agree to comply with applicable Federal and State Equal Employment laws, Affirmative Action laws and the Americans with Disabilities Act.

Section 5. Representation

The Union recognizes its responsibility as the exclusive bargaining representative for this unit and agrees to fairly represent all employees in the bargaining unit to the extent required by applicable law and regulations.

ARTICLE 3. MANAGEMENT RIGHTS

The State through its appropriate officers and employees has the right to:

- 1) Determine the mission, budget, organization, numbers, types and grades of employees assigned, the work projects, tours of duty, methods, means and personnel by which its operations are to be conducted, technology needed, internal security practices, and relocation of its facilities;
- 2) Maintain and improve the efficiency and effectiveness of governmental operations;
- 3) Determine the services to be rendered, operations to be performed, and technology to be utilized;
- 4) Determine the overall methods, processes, means, and classes of work or personnel by which governmental operations are to be conducted;
- 5) Hire, direct, supervise, and assign employees;
- 6) Promote, demote, discipline, discharge, retain, and lay off employees;
- 7) Terminate employment because of lack of funds, lack of work, under conditions where the employer determines continued work would be inefficient or nonproductive, or for other legitimate reasons;
- 8) Set the qualification of employees for appointment and promotion, and set standards of conduct;
- 9) Promulgate state or department rules, regulations, or procedures;
- 10) Provide a system of merit employment according to the standard of business efficiency; and
- 11) Take actions, not otherwise specified in this Article necessary to carry out the mission of the Employer.

ARTICLE 4. UNION RIGHTS

Section 1. Access

The Employer agrees that it shall not discourage bargaining unit employees from Union membership or participation in lawfully permitted activities in the exclusive representative's Union.

The Union agrees to notify the Employer at least two (2) days in advance of a non-emergency, mass meeting. In emergency situations, the Union may call a meeting during work hours to prevent, resolve or clarify a problem with prior reasonable notice to and approval by the Employer. Approval for access described in this section shall not be unreasonably denied.

A) Non-24/7 Buildings/Facilities:

The Employer agrees that it shall not discourage bargaining unit employees from Union membership or participation in lawfully permitted activities in the exclusive representative's Union.

The Union agrees to notify the Employer at least two (2) days in advance of a non-emergency, mass meeting. In emergency situations, the Union may call a meeting during work hours to prevent, resolve or clarify a problem with prior reasonable notice to and approval by the Employer. Approval for access described in this section shall not be unreasonably denied.

Local representatives, officers and Union staff representatives shall, with prior notice to the employer, have reasonable access to the premises of the Employer for the purposes of administration of this Agreement. In addition, upon reasonable notice to the Employer and consistent with security, union representatives shall have access to the Employer's premises for the purpose of administration of this agreement and membership recruitment.

The State recognizes the need of local representatives, officers, and Union staff representatives to access buildings/facilities with little or no notice. Therefore, the Union shall not be required to give any specific amount of advance notice.

Section 2. Stewards

The Employer will recognize stewards designated by the Union who will be responsible for investigating and processing grievances and participating in any hearings or conferences related to the grievance. Typically, a grievance will have no more than one (1) steward in attendance, unless the presence of a second steward is part of the training process for the second steward, in addition to a staff representative, but there shall be no more than two (2) stewards in attendance at all times. In addition, the Union shall designate primary and alternate stewards for each campus. These stewards shall be designated by the Union to be responsible for non-grievance activities related to the administration of this agreement and coordinating the activities of other stewards, to ensure the efficient use of release time.

Whenever possible, the Union will notify MSD's personnel director in writing of the names of the designated stewards prior to them assuming any duties. The Employer shall not deny a State employee the right to represent another employee simply because his/her name does not appear on a job stewards list. Designated stewards shall be allowed a reasonable

amount of duty time without charge to pay or leave to administer the Agreement and otherwise represent employees in accordance with the Collective Bargaining Law (Title 3, State Personnel and Pensions Article), the Public Employee Relations Law (Title 22, State Government Article), law or regulation.

Section 3. Union Activity During Working Hours

The Employer and the Union recognize that Union representatives and stewards play an important role in effectuating the terms of this Agreement; however, both parties acknowledge that the duties undertaken as a Union representative or steward are in addition to their job assignments. The Union shall notify the Department of Budget and Management and the administration of the Maryland School for the Deaf in writing of the names of designated Union representatives and stewards prior to assumption of any duties. Consistent with the operational needs of the Employer, the Employer shall grant time off with pay for designated stewards and Union representatives, including reasonable travel time when necessary during work hours, to attend:

- 1) grievance meetings;
- 2) investigatory or “mitigation meetings”;
- 3) Labor Management Committee meetings;
- 4) negotiating sessions regarding supplementation or amendment of this Agreement during its term;
- 5) committee meetings and activities if such meetings or activities have been jointly established by the parties;
- 6) meetings called or agreed to by the Employer, if such employees are entitled and required to attend the meetings by virtue of being Union representatives or stewards;
or
- 7) hearings by the state legislature whereby a Union representative or Steward may be called to testify on any legislation impacting the working conditions of bargaining unit members.

Union representatives and stewards shall be allowed reasonable work time to complete assignments that have been assigned by the Labor Management Committee. The employee's supervisor shall approve when the time can be taken.

Release hours will not exceed the employee’s normally scheduled workday. Time off with pay will not be unreasonably withheld but shall not exceed 16 hours in a pay period. The Union will normally provide the Employer with the names of its Union representatives or stewards who need release time within 48 hours of the scheduling of the meeting. The employer shall notify in writing the direct supervisor of the employee to be released and provide a copy of the notification to the employee. The employee is required to code any activity pursuant to this section as follows: select work tag “remote work location” and then select “Union business” on the employee’s timesheet.

The practices described in § 12-405 of the State Personnel and Pensions Article shall apply to grievants, witnesses and Union representatives.

Section 4. Release Time Account For Union Activities

On July 1 of each year, the Employer shall credit the Union's release time account with one (1) day for every fifteen (15) bargaining unit members. Union representatives will be allowed time off with pay charged against the Account consistent with the operational needs of the Employer for Union business such as job steward trainings, leadership conferences, educational conferences, state or area-wide committee meetings or state or International conventions, and union sponsored labor relations training provided such representative provides reasonable notice to his/her supervisor of such absence.

Reasonable notice for Union sponsored meetings and conventions listed above is at least twenty (20) days and the employer shall respond within five (5) days of receiving the representative's notice. Less notice may be accepted by the State under special circumstances. Where possible, the Union request for release time shall identify the specific employees to be released from duty and their work location. Such time off will not be detrimental in any way to the employee's record and will be specifically taken into account when applying performance standards relating to quantity and timeliness of work. Time may be used in one (1) hour increments. Time off with pay will not be unreasonably withheld.

Section 5. Meeting Space

Union representatives may request the use of state property to hold union meetings. Upon prior notification, the Employer will provide meeting space where feasible. Such meetings will not interrupt state work and will not involve employees who are working. The Employer shall make space available for Union representatives to have confidential discussions with employees on an as-needed basis subject to availability.

Section 6. Union Offices

Where the Union is currently provided with office space, such space shall be maintained. In locations where the Union does not have office space, Union representatives shall be permitted to have a lockable Union provided filing cabinet at the Employer's premises.

In the year following the effective date of this agreement, the Employer and the Union will meet and confer in good faith about the possibility of designating one room on each campus that may serve as the Union's office. The room shall be able to place at a minimum one desk and two chairs, and it shall have a lockable door.

Section 7. Routine Office Supplies

Union representatives are authorized to make reasonable use of copiers, FAX machines, computers and other office equipment for representational purposes, provided such use does not interfere with official State business. Union representatives shall request permission to use such equipment, and approval for use will not be withheld unless such use interferes with official State business.

Section 8. Bulletin Boards

The Employer shall provide physical or electronic bulletin boards at each work location in areas mutually agreed to on a local basis, for the exclusive use of the Union. Bulletin boards shall be located on campus buildings at each campus where the Employer and Union agree a substantial number of represented employees frequent during the workday. The Union shall be responsible for all items posted on the bulletin board. Each item posted shall be dated and initialed by the Union official approving the posting. In the case of electronic billboards, only an official from the Union may upload a post. The Union shall ensure that items are not illegal, defamatory, political, or partisan and that no item is detrimental to the safety and security of the institution. At the time of posting, the Union shall provide an electronic copy of all items to the Employer. The Employer shall not permit the posting of notices by non-exclusive representative employee organizations on Employer bulletin boards.

Section 9. Mail Service and Computer Mail

The Union shall be permitted to use internal state mail systems, including computer/electronic mail, for membership and bargaining unit mailings. Confidentiality shall be maintained subject to the Employer's security needs. Union mass mailings by internal state mail will be limited to four (4) times per calendar year. The Union shall give the Employer reasonable notice in advance of mass mailings. The Union and the Employer shall develop a system for these mailings. Before sending out mass or bulk emails, the Union shall consult with the agency personnel director to ensure that the agency's email system can accommodate such a transmission. In the event that a single mass or bulk email cannot be accommodated because of system limitations, the agency personnel director shall work with the Union to determine the appropriate size of bulk or mass emails. The Union will then be permitted to send smaller mass or bulk emails as needed.

Section 10. Distribution of Union Information

At non-secure facilities, the Union shall be permitted to place and distribute materials at mutually agreed to locations frequented by employees, before and after work, and during breaks and meal periods.

Section 11. New Employee Orientation

The Union will provide the Maryland School for the Deaf's personnel director with the names and addresses of up to two (2) authorized Union representatives per agency to receive notice of each formal orientation meeting held by the Department. The notice will be sent as soon as such meetings are scheduled (but not less than ten (10) days in advance) and will include date, time and location. Due to operational exigencies, agencies may schedule an orientation which will provide the Union with less than the requisite ten (10) days' notice; however, the Union shall be notified as soon as possible after the scheduling of the orientation and the Union representative shall be released from duty. Agencies shall routinely schedule orientations in a manner that will allow for the ten (10) day advance notice to the Union.

During the formal orientation, the Union will be permitted to give a forty-five (45) minute presentation which may include an enrollment in supplemental Union benefits. The parties shall encourage employee attendance, although attendance shall not be mandatory.

In the event a formal orientation meeting is not held, or the Union is unable to attend the formal orientation because the designated Union representatives cannot be released under Article 4, the Employer shall allow the Union representative and the employee(s) to meet during duty hours at a mutually agreed upon time and location for forty-five (45) minutes. Employee participation in these meetings shall be encouraged although an employee shall not be required to attend such a meeting.

The Employer shall notify the Union of newly hired bargaining unit members as soon as practicable but no later than 10 days after the employees start date. This notification shall be in an electronic, searchable format and include the employee's name, Workday Number, and any other employee information that is required under Section 14 of this agreement.

Section 12. Agreement Orientation

The parties recognize that it is important for employees covered by this agreement to understand all of its terms and conditions as well as the contract administration matters that may occur during its duration. Accordingly, the Union shall provide an annual orientation on the agreement to all current employees at the Maryland School for the Deaf. The Orientation shall be held during a lunch period. The Union will be provided space (such as a classroom) and will be allowed to provide meals consistent with facility security procedures. The Union will be afforded the opportunity to provide this orientation at both campuses of the Maryland School for the Deaf.

Section 13. Release from Duty Issues

The parties recognize their respective obligations to grant and utilize release time authorized by this Agreement in an efficient manner in the context of effective and efficient government operations. To this end, the Employer and the Union shall each designate a person to discuss and resolve issues associated with release from duty or time off. Due to geographical factors, more than one team may be created. An employee's supervisor may require the representative to provide the request for release time in writing. In such cases a copy of the letter issued by DBM approving release time for a specific event shall be sufficient. Requests for release time in accordance with this Agreement or State policy shall routinely be granted.

In instances where the Union notifies the State of the specific employees to be released at least 30 days before the event, the employer may only deny time off based on extraordinary operational needs. When the Employer denies time off based on operational needs in accordance with this Agreement, it shall, upon written request of the Union, provide the reasons in writing and shall advise the representative when he/she can obtain the time off. Time off under this provision shall not be arbitrarily denied.

Section 14. Information Provided to the Union

In accordance with State Government § 22-203, the employer shall provide, upon the written request of the Union, for each employee in the bargaining unit represented by the Union:

- a. Name;
- b. Position classification;

- c. Bargaining unit;
- d. Home and work site addresses where the employee receives interoffice or US Mail;
- e. Home and work site telephone numbers;
- f. Work e-mail addresses; and
- g. Position identification number

The Union shall abide by the restriction concerning the use of information as provided for in the State Government Article § 22-203(d).

Upon a written request from a member of the represented bargaining unit, the Union shall refrain from contacting said employee unless required by law or the written request is revoked by the employee.

Section 15. Exclusivity

No organization other than the exclusive representative shall have access to worksites or otherwise be provided with access to facilities and services of the employer unless they are doing business with the State or except as required by State or federal law.

Section 16. Union credentials

The State shall offer access credentials – *i.e.*, badges, placards, etc. – to union staff representatives and officials. Union credentials will be offered without charge. Any State ID produced by DGS shall give permanent access to the union representative until their separation from employment. AFT shall be responsible for the return of union credentials to the State within 30 days after an employee separates. The State may charge a reasonable replacement fee in the event the credentials are lost or stolen absent a police report. Credentials will allow for reasonable access to facilities for meetings and visits. The parties acknowledge that nothing in this provision is intended to alter or modify agency credentialing requirements, *i.e.*, applicant background check etc.

ARTICLE 5. SCHOOL YEAR, WORKWEEK, WORKDAY, SCHEDULES, OVERTIME, COMPENSATORY TIME, AND LIMITATION OF DUTIES

Section 1. Scope

This Article is intended to define the normal hours of work and, where applicable, to provide the basis for the calculation and payment of overtime. It shall not be construed as a guarantee of hours per day or per week, or of days of work per week.

Section 2. Administrative Workweek

The administrative workweek begins at 12:01 a.m. on Wednesday and ends at midnight on the following Tuesday.

Section 3. School year

In accordance with § 7-103 of the Education Article, the school shall be open for pupil attendance for 180 days.

The school calendar shall include working days for returning 10-month, 10.5-month, and 11-month employees.

The scheduled school year of 10-month, 10.5-month, and 11-month employees shall in no event be more than

- A) 188 days for 10-month staff,
- B) 198 days 10.5-month staff, and
- C) 208 days for 11-month staff.

Newly hired teachers (10-month employees) shall work 190 days and be assigned additional days prior to the first duty day to attend the new employee orientation and participate in the new teacher mentoring program. Bargaining unit members who are specialists or support personnel may be assigned additional days as needed. Such days will be calculated at a per diem rate of pay.

Professional Development/Staff Days

1. Prior to the first day of school, there shall be five (5) professional development days designated for teachers and employees to focus on instruction, casework, class planning, and improving student achievement. At least one full day of these beginning-of-the-year professional development days shall be for staff to prepare their classroom or working area.
2. Throughout the school year, there will be designated professional development/planning days built in the school calendar which include but are not limited to parent/teacher conferences. Employees will follow the current school year calendar for inclement weather make-up days.

Section 4. Standard Workweek

Except as noted below, the standard workweek for full-time employees consists of five (5) consecutive eight (8) hour days (inclusive of a half hour lunch break), Monday through Friday each week. Non-overtime hours and starting and quitting times for such employees shall be the same throughout the standard workweek. All classroom teachers will be assigned appropriate starting and dismissal times, provided that their total regular workday will be no longer than eight (8) consecutive hours except for when department meetings are held. It is recognized that teachers are professional, and, therefore, their primary duties may not always be accomplished entirely within the scheduled workday.

- A. Except in cases of emergency for all staff, the number of department meetings shall be no more than 1 per week and extend no longer than one (1) hour in length beyond the regular workday.

- B. Except in cases of emergency for all teachers, either campus-wide or within departments, there may be no more than one additional mandatory professional meeting other than department meetings per week. Appropriate activities for the use of this time include but are not limited to, the following: Analyzing student data; Collaboratively preparing lesson plans; Responsibilities related to assessment, including benchmarking, and creation of rubrics and alternate assessments; Reviewing, discussing, and planning related to curricula and assessments; Planning and discussions related to the implementation of IEP plans including behaviors; Professional development activities related to instruction, curriculum and assessment, and behavior management/fostering positive student learning.

Section 5. Workday

A. Reporting Time

A bargaining unit employee's reporting time shall be 15 minutes prior to the time designated as the beginning of the student instructional day.

B. Length of Workday

A bargaining unit employee's workday shall be no longer than eight (8) consecutive hours per day including a half hour lunch break, with the exception noted above for departmental meetings.

C. Duty Free Lunch

All bargaining unit employees shall be entitled each day to a duty-free, paid lunch break approximately midway through the workday to be no less than thirty (30) consecutive minutes except on days when out on all-day field trips or days on which special events are held. The employer may stagger employee schedules so as to cover a classroom while the employee is in this lunch period; however, no bargaining unit employee shall be required to work more than six (6) consecutive hours without being offered this duty-free lunch break.

The employer will provide employees with an area suitable for eating in reasonable proximity to their work area wherever possible. In institutional settings wherever possible, the eating area will be away from students.

D. Planning Period

Classroom teachers assigned full-time to the elementary department (pre-school through grade 5) will have at least sixty (60) minutes per school day within the regular student contact hours, excluding recess, for the purpose of planning, preparation, and evaluation of instructional activities.

Classroom teachers assigned full-time to the middle school department (grades 6-8) will have a minimum range of at least sixty (60) minutes up to

ninety (90) minutes per school day within the regular student contact hours for the purpose of planning, preparation, and evaluation of instructional activities.

Classroom teachers assigned full-time to the secondary departments (grades 9-12) will have at least ninety (90) minutes per school day within the regular student contact hours for the purpose of planning, preparation, and evaluation of instructional activities.

The aforementioned planning periods shall be allotted in blocks of at least thirty (30) minutes.

It is recognized that unforeseen circumstances and mandated meetings such as IEP meetings occur during the school hours which may impact classroom teachers' planning periods and may be unavoidable. The Employer will make reasonable efforts to minimize the disruption of the teachers' planning periods which may not be fully avoided in case of IEP meetings or unforeseen circumstances.

In cases where the school opens late or closes early due to hazardous conditions, the school will make reasonable and good-faith efforts to give classroom teachers planning time that is at a minimum the equivalent to one class period.

Section 6. Work Schedules

- A. For purposes of this Agreement, "work schedules" are defined as an employee's assigned work hours and days of the week. Where work schedules vary, they will be posted at least fourteen (14) calendar days prior to the effective date of the posted schedule unless the current practice is for a longer posting period, in which case the longer posting period will be maintained.
- B. Assigning an employee additional hours on an overtime basis is not considered a change to the work schedule.
- C. Hours worked outside of the established work schedule shall be considered overtime unless the employee voluntarily agrees to adjust the work schedule (volunteering or not volunteering to adjust his/her work schedule shall not be detrimental to the employee in any way).
- D. Limitation of Duty: Substitute teaching

Except when a substitute cannot be secured or supporting service personnel (assistants) are not available, volunteers will be solicited to provide internal substitution. If no volunteers are available, administrators may assign a bargaining unit member, including teachers, to provide coverage. Classroom teachers who are asked to provide substitution will be compensated at the rate of \$43.23 for each class they serve as a substitute. Teacher usage shall be only as a matter of last resort.

Aides and other bargaining unit employees who are not classroom teachers who are asked to provide substitution may be dismissed at 3 pm or earlier as compensation for taking on the extra duty of providing substitution.

- E. Nothing in this agreement shall preclude, with prior approval of management, “trading time,” or swapping shifts among employees in the same classification provided they have the particular skills necessary to perform the work and such swaps do not increase Employer’s costs or substantially disrupt work. There will be no split shifts (unpaid break of greater than one-hour within the workday) unless requested by the affected employee(s).

Section 7. Schedule Change/Approved Leave

The Employer agrees it will not make an involuntary schedule change that affects an employee’s previously scheduled and approved vacation. This does not include short term leave (3 days or less) unless it is approved 30 days in advance. Management will make every effort not to disrupt leave approved for special events.

Section 8. Implementation New Days/Hours

- A. In the event the Employer seeks to permanently implement new days/hours for positions that had not previously worked such hours, the Employer shall provide the Union with notice and an opportunity to bargain in accordance with this agreement.
- B. Changes to procedures for selecting shifts and time and attendance recording practices (sign-in procedures, time clocks, etc.) will be negotiated in accordance with this Agreement.

Section 9. Change in schedule due to emergency conditions

In cases when emergency conditions or inclement weather arise resulting in abbreviated school days (*i.e.*, delayed opening and/or early dismissal days), the work day of teachers/bargaining unit employees will begin no more than fifteen (15) minutes before the scheduled student starting time on the delayed opening day, and end as soon as all students under the bargaining employees’ direct supervision have departed the school grounds or are otherwise relieved of duty by their direct supervisors. When a bargaining unit member arrives after the start time established above, they shall be required the use of leave.

In the event of an early dismissal, the school administrators may require a reasonable number of bargaining unit members to remain on duty in excess of stated student dismissal time, if they are needed to care for the students.

Section 10. Overtime Distribution

The Employer and the Union will discuss overtime distribution policies as they arise at the school-wide LMC. The Employer agrees to follow its existing overtime distribution policies until changed as a result of Employer/Union negotiation.

Section 11. Payment For Overtime

The current practice regarding eligibility for overtime shall be maintained.

Employees covered under FLSA, with the approval of the employer, may elect to take compensatory time, paid at time and one-half, or for weather-related emergencies, double time, in lieu of cash payments for overtime. Employees will inform the employer of their choice of cash overtime or compensatory time before working the overtime. Employees will be allowed to declare their election of compensatory time prior to working overtime but in no case more than on a pay period basis. Opportunities for employees to work overtime will not be affected by their election of cash or compensatory time. Employees can accrue up to 240 hours of compensatory time. Employees who work in a public safety activity, emergency response activity, or seasonal activity can accrue up to 480 hours of compensatory time.

In addition, such employees with the approval of the employer or the appointing authority may request compensatory time in lieu of cash for such holiday work.

The Employer may not change the work schedule of an employee who works a standard workweek to avoid the payment of overtime or accrual of compensatory time. For employees who are FLSA covered there will be no time limit during which the employee must use his or her compensatory time. Employees shall not be required to use compensatory time. Use of such compensatory time will be granted in a fair and equitable manner. All unused compensatory time, for all FLSA covered employees, will be paid upon an employee leaving State service or upon death, to the employee's estate, at a rate, which is the higher of:

- The final regular rate received by the employee; or
 - The final average regular rate received by the employee during the last three years of employment.
1. Work time includes time during which an employee:
 - (a) Is on duty, whether at the employee's principal job site or at a remote location as part of the State's Telecommuting Program;
 - (b) Is on paid leave;
 - (c) Participates in training activities as a job assignment;
 - (d) Is on the Employer's premises and is on call and waiting for work;
 - (e) Is not on the Employer's premises, but is on call and waiting for work, and the employee's personal activities are substantially restricted;

 3. With the exception of those categories of employees cited in the Fair Labor Standards Act, 29 U.S.C. § 201 *et seq.*, or as otherwise provided in this agreement, an appointing authority may exclude meal periods and a maximum of 8 hours' sleep from consideration as work time for employees who are on duty for more than 24 hours. If the employee's sleep is interrupted for the performance of work so that the employee is unable to sleep continuously for at least 5 hours, the appointing authority shall consider the entire period of sleep, up to a maximum of 8 hours, as work time.

Section 12. Call-Back Pay

Employees who are called to report to work on their regular day off or that have been recalled to work after having left the Employer's premises, shall be guaranteed a minimum of two (2) hours of pay plus travel time at the regular rate of pay for actual hours worked or at the applicable overtime rate, whichever is greater. Employees who are currently guaranteed a minimum of pay greater than two (2) hours shall continue to be paid at the greater minimum. Should the employee be paid for at least eight hours, travel time shall not be paid.

Section 13. Report Pay

Section 14. Additional Compensable Work Time

Employees who are authorized by the Employer to perform work via the telephone in an emergency or non-emergency situation, before or after their regularly assigned tour of duty, in excess of de minimis time, shall be compensated at the straight time or overtime rate as appropriate and in accordance with the Fair Labor Standards Act. The Employer reserves the right to verify calls and require documentation of the call, including but not limited to: date, time, and length of call; time spent addressing the emergency or required work; name of client or contact; reason for the emergency or required work; and signature of employee.

Section 15. Stand-By Pay

Standby payment shall be at the regular, or overtime rate of pay, whichever is applicable. An employee who is not required to remain on the Employer's premises but is merely required to leave word at his/her home or with the Employer where he/she may be reached is not working while on call. If an employee is called back to work, the provisions of Section 2 apply. Any employee who is placed on call shall not be required to perform any duties the employee is not qualified to perform.

ARTICLE 6. WAGES

Section 1A. Wages

All bargaining unit employees who are otherwise eligible shall receive an increment effective July 1, 2024, or January 1, 2025, based on the employee's entry on duty (EOD) date.

Section 2. Uniform pay plan LMC

To fulfill its obligations under § 8-3A-10 of the Education Article, beginning in April 2024, the school shall form a school-wide LMC to study the pay, benefits, and salary scales of comparable educator positions at Howard County and Frederick County Schools. In the event that salary scales for Frederick County Public Schools and Howard County Public Schools are not available at that time, the LMC will assume a 2% across-the-board increase, or the percentage required to bring the lowest teacher salary to the minimum required under the Maryland Blueprint, for the salary scales, with the intention that once the Frederick County Public Schools and Howard County Public Schools salary scales are released, the MSD salary scales will be adjusted either up or down to the average of the two counties' salary scales.

The LMC shall submit its findings and recommendations to the MSD Board of Trustees and the Union upon completion. Once the MSD Board of Trustees approves the new salary scale at the September Board of Trustees meeting, this salary scale will be provided to DBM for inclusion in the state budget. The School, the Union, the MSD Board of Trustees, and the LMC understand that the salary scales are part of the MSD budget and therefore are privileged information until such time as the budget is released by the Governor.

The approved salary scales shall be in effect for three years from the beginning of fiscal year 2026. The salary scales will be reviewed every three years. The LMC will only meet every three years to review the salary scales of both Howard County Public Schools and Frederick County Public Schools.

To be eligible, the employee must provide the employing agency with a copy of the orders from his/her unit.

There shall be no discrimination or adverse personnel action based on employee military service or status.

Section 5. Emergency Conditions

A. Definitions

1. Emergency condition – means a circumstance declared by the State of Maryland, Frederick County, or Howard County that would expose State employees to harm or unsafe conditions and includes conditions that threaten the lives of State employees, such as extreme weather events, terrorist attacks or threats, chemical spills, disease outbreak, civil disturbance, and any other conditions determined by the State to be of such emergency nature.
2. Emergency essential employee – An employee whose duties are of such a nature as to require the employee to report for work or remain at the work site to continue agency operations during an emergency condition. Emergency essential employees will be notified of their status no later than December 1st of each year. The Employer retains the ability to notify new hires after December 1st, or declare additional employees as emergency essential when necessary, to avoid or mitigate serious damage to public health, safety or welfare.

B. Emergency Release Determinations

1. Full day closing – When a MSD campus is closed prior to the start of normal work hours or shifts due to the declaration of an emergency condition, bargaining unit employees working in that office or facility are on release time (*i.e.*, administrative leave), with no loss of pay or charge to earned leave, except that employees who are on paid or unpaid leave status prior to the emergency release determination will be charged leave for the entire workday.
2. Delayed Starting Time – When a determination is made to delay the opening of a MSD campus due to a declared emergency situation, bargaining unit employees are required to report fifteen (15) minutes prior to the delayed start time and to

work until the close of the school day, unless the employee is granted permission to use leave; bargaining unit employees will suffer no loss of pay or charge to accrued leave for the time between the employee's normal start time and the delayed start time.

3. Early Release – When a MSD campus is closed after the start of regular work hours, bargaining unit employees are dismissed early. However, certain bargaining unit employees may be required to remain at work until all non-residential students have left campus. Employees shall suffer no loss of pay or charge to accrued leave, except that employees who are on pre-approved leave status shall be charged leave as appropriate.

C. Work During Declared Emergency Conditions

Generally, bargaining unit employees will not be required to work when the campus to which they are assigned is closed due to declared emergency conditions.

A bargaining unit employee who is required to report to work or stay at work during a declared emergency condition that has resulted in the closure of the campus to which they are assigned will be credited with two hours of work time for each hour actually worked during the closure.

D. Communication of Declared Emergency Conditions

The Employer shall expeditiously and effectively communicate the declaration of emergency conditions and the emergency release determination (full day closing, delayed starting time, or early release) to all affected employees through the use of media outlets and website postings. Such media outlets shall be made known to the employees in advance.

Section 6. Examinations and Interviews for State Positions

An employee shall be allowed up to four (4) hours leave with pay to take examinations and attend interviews for State positions. An employee who has to travel in excess of fifty (50) miles will be given additional administrative leave not to exceed eight (8) hours in total.

The appointing authority may:

1. require prior approval of the interview or examination leave request;
2. require verification of the examination taken or interview or examination attended;
3. require verification of the travel time in excess of 50 miles one way; and
4. limit the number of interviews and time allotted when abuse is apparent.

Section 7. Professional Meetings And Workshops

To the extent consistent with the operational needs of the Employer, employees will be granted time off with pay, not to exceed their normal workday, to attend pre-approved professional meetings and workshops that are “job related”. The Employer may, but is not required to, reimburse the costs associated with these meetings and workshops. Leave under this provision shall not be arbitrarily denied. Should the Employer require the employee to attend, the cost of such training will be paid by the Employer.

Section 8. Disaster Service Leave

- a) Requirements for leave with pay. On request, an employee subject to this section may be entitled to disaster service leave with pay if:
 - (1) the employee is certified by the American Red Cross as a disaster service volunteer; and
 - (2) the American Red Cross requests the services of the employee during a disaster that is designated at Level II or above in the regulations and procedures of the National Office of the American Red Cross.
- b) Amount allowed. An employee may use up to thirty (30) days of disaster service leave in any 12-month period only after obtaining approval from the employee’s appointing authority.
- c) Employment status for the purposes of certain claims. For purposes of workers compensation and the Maryland Tort Claims Act, while an employee is using disaster service leave, the employee is deemed not to be a State employee.

Section 9. Religious Observance

All employees, except those working in 24-hour facilities, whose religious beliefs require them to be absent from work, shall be permitted to perform compensatory work outside their regular work hours to offset the absence. For those employees entitled to overtime pay, each hour of compensatory work will offset one hour of absence during any workweek in which employees work fewer than forty hours and for those workweeks in which more than forty hours are worked, compensatory work will offset one- and one-half hours of absence. For those employees exempt from overtime pay, each hour of compensatory work will offset one hour of absence. This section shall be administered in accordance with applicable law and COMAR.

Section 10. Vaccine Leave

Each year, employees may request a total of two (2) hours of vaccination leave for the purpose of obtaining a flu or COVID-19 vaccination or booster.

To receive Vaccination Leave, employees must provide Human Resources the following:

- (1) proof of full vaccination;
- (2) proof of receipt of a flu or COVID-19 vaccination or booster shot; and

Section 11. COVID-19 Leave

Effective January 1, 2024, through December 31, 2024, employees who test positive for COVID-19, will be eligible to use up to 5 days (NTE 40 hours, prorated for part-time employees) of paid COVID-19 Leave in place of an employee's own leave or leave without pay to recover from COVID-19.

To receive COVID-19 Leave, employees must provide Human Resources the following:

- (1) a positive COVID test dated no sooner than three days prior to the first day of leave requested, and no later than the last day of leave requested; and

An employee must submit the required documentation to Human Resources by the end of the pay period that follows the pay period the employee is requesting COVID-19 Leave.

COVID-19 Leave must be taken consecutively and used in full-day increments; however, an employee is not required to use all 5 days of COVID-19 Leave at once. This leave will be available to employees of SPMS and MSD.

ARTICLE 10. SICK LEAVE

Section 1. Sick Leave General

The Employer and the Union agree that unscheduled absences, excessive sick leave usage, and fraudulent sick leave usage unnecessarily increase overtime costs, exacerbate the workloads of other employees and negatively impacts morale.

Section 2. Eligibility

In accordance with State law, employees are entitled to sick leave with pay:

- a. for illness or disability of the employee;
- b. for death, illness, or disability of a member of the employee's immediate family;
- c. following the birth of the employee's child;
- d. when a child is placed with the employee for adoption; or

“Immediate family” is defined in accordance with COMAR 17.04.11.06.

Section 3. Notification

When an employee is unable to work due to circumstances provided in Section 1, the employee or employee's designee will notify his/her immediate supervisor or designee at the worksite at a time as established by existing agency policy/practice, unless extenuating circumstances preclude this notification. When an employee calls in accordance with established practice or policy, he/she shall leave a message if the supervisor or supervisor's designee is unavailable, or the Employer may instruct an employee to call a secondary number, and the employee will not be required to call back. The employee or designee must call each day of absence until the employee notifies the Employer of a date he/she will return to duty. The Employer shall not ask the employee to provide information as to his/her diagnosis or condition except as permitted by applicable law.

Section 4. Certificate of Illness for Absences for Five or More Consecutive Days

The Employer may require an employee to provide an original certificate of illness or disability only in cases where an absence is for five (5) or more consecutive workdays or in accordance with the procedures described in Section 4 below. The Certificate required by this Section shall be signed by a health care provider in accordance with applicable law (SP&P § 9-504).

Section 5. Disciplinary Action

The Employer may take appropriate disciplinary action against an employee for using sick leave for purposes other than described in law or this Agreement; for failing to properly notify the Employer of the use of sick leave, or failure to provide appropriate documentation when properly required to do so.

The Employer may not penalize an employee with regard to scheduling, overtime eligibility, performance evaluations or other right or benefit for sick leave usage or for being subject to a documentation requirement. This does not preclude appropriate disciplinary action for use of sick leave for purposes other than described in Section 1. The procedure described in this Article, and disciplinary procedures, shall be the sole procedures available to address issues related to sick leave use and abuse.

ARTICLE 11. LEAVE BANK AND LEAVE DONATION PROGRAM

Section 1. Membership in the State Employees' Leave Bank Program

A new employee may donate one day (eight hours) of Personal Leave to the State Employees' Leave Bank within the first sixty (60) days of their employment. All other

Sick Leave may only be donated if the employee has a balance of 240 hours after the donation. The employer shall hold an open enrollment period during the health insurance open enrollment period.

Section 2. Access To Leave Bank

An employee becomes eligible for the State Employees' Leave Bank 90 days following the initial donation to the bank. Membership in the State Employees' Leave Bank is for two years, unless the leave in the bank is exhausted, at which time all employees will be notified and given the option of rejoining by donating an additional day. In these cases, employees who had served the 90-day waiting period for eligibility will not be required to serve an additional waiting period. Eligibility for use of leave from the bank will be determined in accordance with existing policy (COMAR).

Section 3. Employee To Employee Leave Donation Program

An employee may voluntarily donate annual, sick or personal leave to another employee who has exhausted all available leave because of a serious and prolonged medical condition. The donating employee shall designate the recipient. Eligibility to receive Employee to Employee Leave shall be determined in accordance to the same criteria as COMAR. Bargaining Unit employees shall not be subjected to the same criteria for Employee-to-Employee Leave Donations as for use of leave from the Leave Bank. The recipient may only use the leave for an illness or disability that exists at the time of the donation.

Section 4. Short Term and Long-Term Disability Policies

The Union and the Employer agree to negotiate the possible implementation of Short Term and Long Disability Policies with the intent of replacing the State Employees Leave Bank, the Employee-to-Employee Leave Donation Program.

ARTICLE 12. LEAVES WITHOUT PAY

The Employer may grant general leaves of absence to employees, upon request, for periods not to exceed two (2) years. The employee may request that the Employer hold the employee's position and elect to accept the employee's request for reinstatement. However, reinstatement is not guaranteed. When an employee on a leave of absence is reinstated, the Employer will use good faith efforts to return the employee to his/her previous work location.

Furthermore, a bargaining unit employee may apply for, and the Superintendent may grant, a Leave of Absence without Pay for: Personal Illness; Birth or adoption of a child; Service that is Government Sponsored; and/or Subsidized; Service in a Professional or

Employee Organization or Study. The Superintendent or his designee and the Employee must agree upon the precise time period of such leave in advance, which may not exceed a period of two (years). Application for a Leave of Absence without Pay should be made as soon as possible, but not less than three (3) months prior to the effective date when circumstances are foreseeable. However, if good cause is shown for giving notice of less than three (3) months, the Superintendent may, at their discretion, entertain such requests. In considering the School's position regarding the length of leave, the Superintendent may take into account the needs of the School, the School's ability to replace the Employee for the time period requested and other legitimate concerns. The employee will receive written notification of the Superintendent's decision.

During the leave of absence, the employee will send written notification to the Superintendent and Personnel Office of their intent to return or resign by March 1st of the following year.

Section 2. Unpaid Union Leave

Upon request of the Union's President or designee, the employer will grant leaves of absence without pay to bargaining employees who serve as Union representatives or officers for up to a one hundred twenty (120) calendar day period if it is consistent with operational needs. This leave will be for no more than one-time per year per employee and no more than two employees per year who must be from different Departments. An employee's entrance on duty date will not be changed, he/she will not be separated from payroll, and he/she will be restored to his/her previous position at the conclusion of such leave.

Section 3. Educational Leave

Employees may be granted educational leave for up to two (2) years to attend an accredited educational institution, including colleges, universities, trade schools, and technical schools. Such leave will be approved or denied in a fair and equitable manner. Reinstatement will be governed by COMAR.

In considering the School's position regarding the length of educational leave, the Superintendent may take into account the needs of the School, the School's ability to replace the Employee for the time period requested and other legitimate concerns. Reinstatement is subject to the approval of the Superintendent and is not guaranteed. When an employee is reinstated every effort will be made to return the employee to the same position or a position the employee is qualified for.

Section 4. Military Leave

If an employee enters military service, his/her employment will be separated with the right to reemployment in accordance with applicable law and regulation.

Section 5. Family and Medical Leave

The Employer shall provide employees with the benefits of the Family and Medical Leave Act on a fair and equitable basis in accordance with applicable law and regulation.

ARTICLE 13. PERSONNEL FILE

Only one (1) official personnel file shall be kept for each employee at the appropriate personnel office. Records of previous discipline not found in the official personnel file cannot be used against an employee in any future disciplinary proceeding. Grievances shall not be kept in the employee's official personnel file. Employees shall be informed as to where their personnel file is maintained.

Section 2. Placements of documents in an employee's personnel file.

Once per year, an employee may request the employer place in her or his personnel file material indicating new special competencies, achievements, performances, or contributions of an academic, professional, or civic nature that has been recently recognized. When such material is received from outside, competent responsible sources, it shall also be included in the employee's file.

Section 3. Access

An employee and, with the employee's written authorization, a representative(s) shall have the right to review his/her personnel files upon request, during normal business hours, with no loss of pay. Employees have the right to copy any documents in his/her file. The employee may be required to assume reasonable costs of copying.

Section 4. Notification

From the effective date of this memorandum, any derogatory material to be placed in an employee's personnel file will be initialed and dated by the employee and a copy provided to him/her. If the employee refuses to sign, material shall be placed in the file with a note of the employee's refusal. The employee's initials indicate simply that he/she has seen the material and is not to be construed as agreement with its content. In addition, any derogatory material which is placed in an employee's personnel file without following this procedure will be removed from the file and returned to the employee.

Section 5. Anonymous Materials

Other than routine personnel forms, no anonymous materials shall be placed in an employee's official personnel file.

Section 6. Rebuttal

Employees shall have the right to respond in writing and/or through grievance procedure to any materials placed in their official personnel file. Any written response by the employee shall be appended to the appropriate document.

Section 7. Work Files

Supervisors may keep working files, but records of previous discipline not found in the official personnel file cannot be used against an employee in any future disciplinary proceeding.

ARTICLE 14. JOB CLASSIFICATION

Section 1. Job Study

This section applies to only those BU positions over which DBM retains classification authority. Except where a study of a job has been completed within the previous eighteen months and there has been no change in job duties, an employee and/or Union representative, may submit a request to the Department of Budget and Management's Classification and Salary Administration Division (CAS) to study the position in accordance with applicable procedures and regulations. Such a request shall include a completed position description that has been signed, in a timely manner, by the employee's supervisor and Appointing Authority. The employee and/or the Union representative shall provide the employee's supervisor with a copy of the request.

The employee (and Union representative, if chosen) will be provided with a copy of the Employer's findings upon request.

The Employer will apply its established classification standards and guidelines in a fair and equitable manner.

Where possible, CAS shall complete the study within 60 days from the date of receipt. The employee (and Union representative, if chosen) will be provided with a copy of the Employer's findings. The Employer will apply its established classification standards and guidelines in a fair and equitable manner.

Section 2. Transcript Review

This section applies to all bargaining unit employees over which MSD has salary authority. Employees shall submit an official transcript to the Personnel Office for a review and consideration of a possible salary adjustment. A request for salary review will not be considered if an official transcript is not submitted. The Personnel Office will complete its review and make a determination within 30 days after the employee provides the official transcript to the Personnel Office.

For a course to count toward a salary adjustment, the faculty member must receive a grade of C or better.

Official transcripts may be ordered as “Parchment” from the institution where the employee earned the credits. The institution must send the official transcript (“Parchment”) electronically directly to the Director and/or Assistant Director of Personnel Services.

Section 3. Grade and Pay Changes

The Employer shall provide at least thirty (30) days’ notice and shall meet with the Union over any change in grade or pay for a particular classification or job series or before implementing a new classification or job series. The Union may propose alternatives to the Employer-proposed changes during the thirty-day period.

The union may contest this change at any time if the employer failed to notify and meet with the union.

Section 4. New or Revised Classifications

The Employer shall provide at least (30) thirty days’ notice and shall meet and confer with the Union over any new or revised classification specifications. The Union may propose alternatives to the Employer-proposed changes during the thirty-day period. The Employer shall negotiate with the Union on other classification issues as required by State personnel law.

The union may contest a classification at any time if the employer failed to notify and meet with the union over any new or revised classification specifications.

ARTICLE 15. JOB DESCRIPTIONS

Section 1. Job Descriptions

All employees shall be provided an accurate copy of their job description. When job descriptions are changed, employees shall be furnished a copy and have an opportunity to discuss any changes with their Supervisor. Terms such as “other duties as assigned” shall mean job- related duties relevant to carrying out the mission of the agency for which the employee works.

The Employer will apply its established job description standards, procedures, and guidelines in a fair and equitable manner. Bargaining unit members may file a grievance under Article 23 “Dispute Resolution Procedure” of this MOU if the employer has failed to apply those standards when changing a job description.

ARTICLE 16. PERFORMANCE EVALUATION

The Performance Evaluation is intended to facilitate communication between employees and supervisors regarding expectations and job performance. The process offers employees and supervisors an opportunity to acknowledge the successes achieved over the year, and to openly discuss areas for enhancement and improvement. In cases of

poor performance, it is meant to compliment the disciplinary process by providing a means to assist employees to improve.

In addition, the parties recognize the role teacher evaluations play in employees maintaining licensure with the Maryland State Board of Education. As such, the parties understand the need to maintain a separate evaluation process for classroom teachers and for the rest of the skilled and professional employees working at the Maryland School for the Deaf. The teacher evaluation process shall still fulfill at a minimum the requirements for evaluation of state employees found in the State Personnel and Pensions Article Title 7, Subtitle 5, of the Maryland State Code.

Section 1. Qualified Evaluators

The Superintendent or designee shall provide to the Union a list of approved evaluators for classroom teachers prior to the beginning of the school year.

Evaluators shall be trained in the standards for evaluation, and have their training updated every 3 years or whenever the standards and criteria are updated.

Section 2. Standards for the annual evaluation of classroom teachers

In recognition that teacher evaluation is an ongoing opportunity for continuous improvement, the Employer and the Union agree to establish a separate, school-wide Labor Management Committee to discuss performance evaluation criteria for classroom teachers. In the event that MSD proposes a change to the teacher evaluation process, the committee shall convene and use as a reference the general standards established in accordance with § 6-202(c) of the Education Article of the Annotated Code of Maryland. The committee will make recommendations to the MSD Board of Trustees for review and approval of the recommended revisions. The Union shall choose 4 classroom teachers to serve on this committee, and the employer shall appoint 4 school administrators to serve on this committee. This committee will be co-chaired by the superintendent's designee, and the Union's President, or their designee, and shall operate under the terms stipulated in this MOU, Article 35. Labor Management Committees. The committee will meet when both parties mutually agree.

Section 3. Forms for the Evaluation of Classroom Teachers

The employer shall use one standard, uniform evaluation form in the performance appraisal of classroom teachers at the Maryland School for the Deaf. The form consists of five ratings. The ratings are as follows:

- Exceed Standards
- Proficient
- Basic
- Does not meet Standards
- Not applicable

That form shall be found in Appendix A of this MOU.

Any proposed changes to the classroom teacher evaluation form must be discussed at the Labor Management Committee described in Section 2 of this Article. Any final recommended changes to the evaluation must be reviewed and approved by the Maryland School for the Deaf Board of Trustees.

Section 4. Performance Ratings for Classroom Teachers

To be in compliance with the State Personnel and Pensions Article and in furtherance of the objectives of MSDE policies, classroom teachers' performance may be rated based on a combination of formal and informal observations as well as other variety of sources that the Performance Evaluation Criteria LMC described in section 2 finds appropriate, including but are not limited to samples of student work, student achievement, lesson plans, and professional communications including family communication. The LMC may also assign weights to the criteria elements as it sees fit.

The ratings are as follows:

1. Outstanding/Highly effective: Exceptional Performance. Achievements clearly are superior to the level of performance required for the job.
2. Satisfactory/Effective: Good Performance. The employee met the required and expected results for the job.
3. Unsatisfactory/Ineffective: Unacceptable performance that shows no significant progress or improvement. Improvement is critical.

There are only three ratings: Outstanding/Highly Effective, Satisfactory/Effective, and Unsatisfactory/Ineffective, to which numerical equivalents of 3, 2, and 1 respectively have been assigned for the purpose of calculating an overall score. In recognition of the classroom evaluation ratings are not in alignment with the standard state ratings, the scores will be converted based on the following:

- Exceeds Standards - 3
- Proficient & Basic - 2
- Does not meet Standards- 1

No incremental ratings (for example, 1.5, 2.7, etc.) shall be assigned by a supervisor to an individual performance standard or domain element.

Section 5. Evaluation process for Classroom Teachers.

Parallel with Maryland State Department of Education Regulations (COMAR 13A.07.09.04), all certificated classroom teachers shall be observed and evaluated, at a minimum, once per semester. Classroom observations of teachers professional practice

shall be conducted by qualified supervisors and designees who are on the list of approved evaluators as determined by the superintendent.

For probationary teachers, the appraisal system shall include:

- At least two observations per semester, at least one announced and one unannounced
- One evaluation per semester

For non-probationary teachers, the appraisal system shall include:

- At least one announced observation per semester
- One evaluation per semester

In addition to classroom observations, the Employer may conduct walk-throughs to ensure that all teachers receive adequate evaluation and guidance as necessary. Classroom walk-through is described as a brief, structured, informal and non-evaluative classroom observation and the intention is to observe the teaching learning process in the classroom. Priority will be given to probationary teachers and those who have demonstrated need of support. The Employer shall reserve the right to conduct additional observations for non-probationary teachers who are either on PIP or have demonstrated need.

For announced classroom observations, the classroom teacher must be notified no less than 24 hours. There will be no prior notification for unannounced observations.

The supervisor will complete a middle-of-year and end-of year evaluation, using the evaluation form described in Sections 3 and 4 of this article. For evaluation elements that are based on classroom practices, evidence gathered from the classroom observations may be used.

Upon completion of the classroom observation, the classroom teacher may request to meet with the evaluator and supervisor (if the observation is done by someone other than the employee's supervisor) to discuss the observation and evaluation. The classroom teacher shall be notified at least one day prior to the date of the review and discussion. Any overall rating of "Outstanding/Highly Effective" or "Unsatisfactory/Ineffective" assigned by a supervisor to an individual performance standard or behavioral element shall be justified with an adequate explanation in the Supervisor's Comments to support the rating. The classroom teacher may offer written comments to supplement the semesterly evaluation and may also write an end-of-the-school year evaluation reflecting on that employee's professional growth and development over the course of the year. These self-evaluations and responses to supervisor evaluations shall be included in the classroom teacher's personnel file.

The mid-year evaluation conference between the classroom teacher and the employer shall take place on December 1st and thereafter. The end-of-year conference between the employee and the evaluator shall take place on June 1st and thereafter.

Section 6. Intervals Between Appraisals for non-certificated employees

Employees who are not classroom teachers shall receive written performance appraisals at six (6) month intervals according to their entry-on-duty date.

1. Employees with an EOD date between January 1 and June 30, the PEP Cycle begins January 1.
2. Employees with an EOD date between July 1 and December 31, the PEP Cycle begins July 1.

Section 7. Performance Ratings for Non-certificated Employees who are not classroom teachers

For employees who are not classroom teachers, there will be a mid-year appraisal and an end-of-year appraisal, which will include a performance rating as follows:

1. Outstanding = Exceptional Performance. Achievements clearly are superior to the level of performance required for the job.
2. Satisfactory = Good Performance. The employee met the required and expected results for the job.
3. Unsatisfactory = Unacceptable performance that shows no significant progress or improvement. Improvement is critical.

There are only three ratings: Outstanding, Satisfactory, and Unsatisfactory, to which numerical equivalents of 3, 2, and 1 respectively have been assigned for the purpose of calculating an overall score.

No incremental ratings (for example, 1.5, 2.7, etc.) shall be assigned by a supervisor to an individual performance standard or behavioral element.

Section 8. Performance Standards for Employees who are not classroom teachers

For employees who are not classroom teachers, performance standards and behavioral elements shall be specific, attainable, relevant, measurable and fully consistent with an employee's duties, responsibilities and grade as described in his/her job description. Standards and elements will be job and outcome related, not trait related. Standards, elements, and criteria for each rating level shall be provided to an employee in writing at the outset of the rating period and changed during the period only after review with the employee. Performance outcomes considered to be "Outstanding" and "Satisfactory" shall be described for each performance standard and behavioral element.

If an employee does not have an opportunity to perform work described by a standard or element, that standard/element will not be considered in the performance appraisal process. Standards/elements will be applied fairly, objectively and equitably. The Employer shall take into account equipment and resource problems, lack of training, frequent interruptions, and other matters outside of an employee's control when applying

standards/elements to performance. Preapproved time away from the job including sick leave, personal days, annual leave and authorized duty time for Union representational purposes and other authorized activities will not be considered negatively in the application of performance standards and behavioral elements. Evaluations shall fully take into account such approved absences in a measure of timeliness and quantity of work.

Section 9. Appraisal Procedure for Employees who are not classroom teachers

For employees who are not classroom teachers:

1. Whenever an employee is assigned to a different supervisor during the rating cycle (whether through a change in position or simply a change in supervisor), the supervisor shall meet with the employee as soon as possible to: review the Position Description (form MS-22) for accuracy and to make any changes, if necessary; understand and clarify the duties being performed by the employee; identify expectations regarding tasks to be performed during the next rating cycle; and plan for any training, if necessary.
2. The employee's supervisor will prepare a preliminary mid-year and end-of-year performance appraisal. If the immediate supervisor is not available, the second level supervisor shall prepare the appraisal. If the evaluating supervisor is not the direct supervisor, he/she must have actual knowledge of the employee's performance.
3. At the end-of-cycle evaluation, the employee may, but is not required to, complete a self-assessment prior to the evaluation meeting for use in discussing the employee's performance. If the employee completes a self-assessment, it should be discussed along with the supervisor's assessment of the employee's performance during the meeting.
4. The supervisor shall meet with the employee to discuss the preliminary appraisal. The employee shall be notified five days prior to the date of the review and discussion. Any rating of "Outstanding" or "Unsatisfactory" assigned by a supervisor to an individual performance standard or behavioral element shall be justified with an adequate explanation in the Supervisor's Comments to support the rating.
5. If an employee is transferred or placed under the supervision of a different supervisor during a rating cycle, he/she shall be given an exit appraisal by the prior supervisor and it shall be used in conjunction with his/her current supervisor's year-end appraisal, unless the employee has been working under the current supervisor for at least six months, and the employee and the Employer mutually agree not to use the former supervisor's appraisal. When both appraisals are used, they shall be averaged in accordance with the number of months evaluated by each appraisal.

6. If an employee has not received an exit appraisal from the former supervisor and has not worked for at least six months for the current supervisor or does not agree to use only the current supervisor's appraisal, the employee can return to the former supervisor and request a performance appraisal for the portion of the rating period s/he was supervised by the former supervisor. If the appraisal is received from the former supervisor, it shall be averaged with the current supervisor's appraisal, as described in paragraph 4.
 - a. If the appraisal is not received within a reasonable time to allow the current supervisor to complete the evaluation for the current rating period, the current supervisor shall complete the appraisal for the time during which the current supervisor supervised the employee, and shall note in writing in the Supervisor's Comments that an appraisal for the first portion of the rating period could not be obtained, and that the rating covers only the period of time the employee was supervised by the current supervisor, which should be specified.
 - b. To obtain the overall rating for the rating period if no performance appraisal is received from the former supervisor, the current supervisor shall credit the employee with a rating of "Satisfactory" for the period of time the employee was supervised by the former supervisor and shall average that rating with the current supervisor's rating as described in paragraph 4.
7. Supervisors shall be required to review PEP refresher training materials every two (2) years.

Section 10. End-Of-Year Appraisal for Employees who are not classroom teachers

For employees who are not classroom teachers, the end-of-year appraisal, which the appointing authority superintendent will approve before it is final, shall include the following:

1. Performance rating;
2. Specific tasks the employee needs to achieve during the next appraisal period and performance standards/behavioral elements;
3. Modifications to the employee's job description, if any; and
4. Recommendations for training to enhance the employee's skills, if any.

The Employer will not prescribe a forced distribution of levels for ratings for employees covered by this Agreement. No quotas or other limitations shall be applied to employee ratings.

After notifying the employee of the intent to do so, an appointing authority may change an employee's end-of-cycle final evaluation only with written justification, which

cites the employee's performance standards/behavioral elements and the employee's actual performance. In such cases, after reviewing the completed new evaluation, the employee may write a response if they so choose. This response, if any, shall be included in the employee's personnel file.

The supervisor shall give employees a copy of the end-of-year appraisal within 30 days of the date of the PEP meeting, but no later than two weeks before the conclusion of the school year, and a copy will be placed in the employee's personnel file. A statement of an employee's objection to an appraisal or comment, if any, shall be attached and put in their personnel file.

The Performance Evaluation is intended to facilitate communication between employees and supervisors regarding expectations and job performance. The process offers employees and supervisors an opportunity to acknowledge the successes achieved over the year, and to openly discuss areas for enhancement and improvement. In cases of poor performance, it is meant to complement the disciplinary process by providing a means to assist employees to improve.

Section 11. Evaluation Form for Employees who are not classroom teachers

The Union agrees that the Management Rights provision of this agreement, § 22-204 of the State Government Article, and § 3-302 of the State Personnel and Pension Article confer upon the State the authority to make changes to the forms used to evaluate employees.

ARTICLE 17. WITHIN GRADE INCREASES

Section 1.

This Article and appropriate law, regulation or procedure governs within grade step increases. A supervisor's failure to complete an employee's evaluation shall not be used as a basis to deny the employee's increment.

Section 2.

An employee may not be denied a step pay increase for reasons of performance unless substantial performance deficiencies, defined as not meeting standards on performance standards/behavioral elements warranting such action are cited on the employee's mid-year or final performance appraisal forms. In no case will the Employer withhold a step increase unless the affected employee has been notified.

Section 3.

When the Employer determines that an employee's performance warrants withholding of a step increase, it shall notify the employee in writing and

1. identify the specific incidents of unacceptable performance including reference to performance standards/behavioral elements;
2. provide a description of what the employer will do to assist the employee and a description of what the employee must do to improve the allegedly unacceptable performance during the opportunity period.

Section 4.

A schoolwide LMC shall be established to assist in the development of a pay equity program for bargaining unit employees. The committee shall consist of eight (8) members, four (4) MSD management representatives and four (4) AFT representatives. The committee will be chaired by a management representative appointed by the Superintendent.

The committee shall make recommendations to the MSD Board of Trustees and DBM by August 1, 2024.

Travel time will be reimbursed, in excess of the employee's normal, round-trip commute in accordance with State Fleet Policies promulgated by the Secretary of the Department of Budget and Management. The costs of such training will be paid by the Employer. When employees are scheduled for an in-service training day, they shall not ordinarily be scheduled to work the shift immediately before or after the training. The only allowable exceptions are for employees who volunteer for such scheduling or when employees are assigned to a shift on an overtime basis to meet minimum staffing requirements.

Section 2. Professional Development

When a prior approved course is offered only during an employee's working hours, an employee may receive, with prior management approval, up to six (6) hours per week of release time to attend job-related training. The term "job-related" includes preparation for potential promotion, as well as improvements in currently utilized skills and knowledge. Leave under this provision shall not be arbitrarily denied.

Section 3. Accreditation, Licensure or Certification

Employees who are assigned or volunteer and are approved by the Employer to assume additional duties in their job classification which requires accreditation, licensure or certification, may be granted time off with pay, consistent with the operational needs of the Employer, and may be reimbursed for any cost associated with the accreditation, licensure or certification. The Employer may, consistent with operational needs, grant the

necessary time off with pay and/or provide in- service training for employees required to maintain accreditation, licensure or certification as a minimum qualification for their position. The Employer may reimburse the costs required to maintain teacher and other professional accreditation, licensure, or certification, including course credit according to the Maryland School for the Deaf Tuition Reimbursement Program and the guidelines released by management annually.

Section 4. Tuition Reimbursement Program for Teachers Aides

Beginning in July 2024, the employer shall modify the tuition reimbursement program to give preference to teacher aides employed by the school for no less than 3 years to apply to have the employer reimburse the tuition required for that employee to receive a teaching degree. Applicants must be in good standing with the school and demonstrate a record of proficient classroom management at MSD.

The program shall reimburse for at least six (6) credit hours per school year per successful candidate. The credits must be counted towards the achievement of the candidate's teaching degree.

Upon completion of the degree program, the candidate agrees that they shall be required to remain a certificated teacher employed at the school for three (3) school years. If the candidate, by their own choice, leaves the program prior to the completion of the degree, or leaves the school before the completion of those 3 years, the candidate shall pay back the employer the tuition costs. This modification of the tuition reimbursement program applies to teacher aides only. All other bargaining unit members are eligible for tuition reimbursement according to the original policy.

The scope of these decisions will include but are not limited to: school-wide and classroom positive behavior supports, mental wellness approaches, social skills development, multi-tiered systems of support, fostering positive school climate, restorative practices that target the needs of individual students, and collaboration between leadership team and student support professionals in designing school specific student discipline and behavior management plans.

If a resident or inmate is found to carry a communicable disease, all appropriate precautions will be taken.

ARTICLE 38. MID-CONTRACT NEGOTIATIONS

Section 1.

The Employer and the Union acknowledge their mutual obligation to negotiate as defined and required by law over Employer proposed changes in wages, hours and other terms and conditions of employment affecting bargaining unit employees not specifically covered by this Agreement. The Union's ability to negotiate does not provide the Union with a "veto" power over Employer initiated changes and shall not unduly delay the implementation of Employer initiated changes. The Employer and the Union expressly agree to subject any changes to working conditions that are mandatory subjects of bargaining to the bargaining process described in this Article prior to proposing legislation sponsored by a member of the General Assembly.

Section 2.

The obligation to bargain is limited to those changes that will substantially affect the working conditions of bargaining unit employees.

The minimum notice to the Union of an intended change in working conditions is thirty (30) days. If required to meet a legislative mandate or an emergency situation, management will notify the Union as soon as possible.

The Union may request bargaining within this thirty (30) day period and shall submit proposals in response to the Employer's intent to change working conditions within twenty (20) days of its request to bargain.

Section 3. Mediation

If after good faith negotiations at the local level, the parties are unable to reach an agreement on a mandatory subject of bargaining, the issue will be forwarded to the Executive Director of the Office of Personnel Services and Benefits and the Union President to negotiate the issue.

At this point, if an agreement still has not been reached, either party may request the assistance of a mediator from the Federal Mediation Conciliatory Services (FMCS). Should there be a cost involved, this cost will be the responsibility of the party requesting the mediator.

If the mediator is unable to bring the parties to an agreement, both sides will ask for a recommendation. If the recommendation does not support the State's position, the State may implement its proposal upon providing written notification to the Union identifying the reason(s) the State is going forward with the proposed change. However, this procedure does not prevent the State from implementing proposed changes in an emergency situation declared by the Governor, or when the proposed changes are required to meet a legislative mandate.
